Student Leadership Opportunities

Below is a list of school leadership roles that are available for students to apply to join. This is a great way to have the students help take ownership for our school! Please help your child to rank their top 3 choices by putting a 1, 2, or 3 on the lines in order of their most preferred role (They will definitely receive their #1 choice – the rest will be determined based on available space). We are hoping that there is enough variety in this list that students will find an area of interest to them. We know that everyone does better when they are engaged in an activity that they enjoy! Students can choose to be involved with up to 2 groups. Please help your child make their selections and have them return this list to their classroom teacher **by Wednesday, October 2, 2024.**
